**France to Discover**

One of the oldest nations in Europe, France - which the Romans called Gaul - is also a country with a very rich cultural and environmental heritage. The climate in France is quite varied, but generally west European - on the whole a bit warmer than the UK, a bit cooler than Spain. Don't expect to find summer in winter in the South of France!

While travelling through historical cities and quaint towns of France a tourist will experience authentic French treasures such as castles, towers, cathedrals, rural buildings, vineyards, mountains and beaches...just to name a few.

Victours has carefully selected a variety of villas, hotels and apartments in the regions of France as well as a wide variety of tours. Victours also provides other unique holiday ideas such as barge cruising in Provence, cooking courses, wine tasting, GT cars and motorcycle tours, ski vacations as well as destination weddings in fairy tale settings.
