South Africa to Discover

South Africa is a tourist paradise offering natural beauty, sunny weather, a wide array of flora, diverse wildlife and a kaleidoscope of cultures and traditions. South Africa is often called the Cradle of Humankind, for it is where archaeologists discovered 2.5-million-year-old fossils of our earliest ancestors, and 100 000-year-old remains of modern man.

While traveling around this diverse country, from the plains of the Serengeti to the Deltas of Botswana and the famous Kruger National Park, you will find immensely varied terrain and a wide range of lifestyle and culture. Whether you're in South Africa on safari or simply enjoying the beaches, breathtaking drives, or unspoiled wilderness, South Africa will captivate you.

Victours has carefully selected a variety of villas, hotels and apartments in the regions of South Africa as well as a wide variety of tours. Victours also provides other unique holiday ideas such as cooking courses, wine tasting, as well as destination weddings in fairy tale settings.
