#### Traditional Andalusian Dinner with Flamenco

A night to remember with traditional flavours of a tasty Andalusian dinner and the best Flamenco Dance show in Barcelona.

The evening will begin with a traditional Andalusian dinner. The menu includes a sampling of typical Andalusian dishes cooked with great care by professional Chefs. The menu starts with toasted special bread with tomato, assortment of cured meats & cheese and Campiña salad. The main dish will be Fritura de pescado: Andalusian Squid, Chocos Malagueños, Cazón de Adobo (marinated fish), Boquerones Fritos or Seafood paella followed by exquisite desserts. Water and Wine or cold sangria will also be included.

During dinner you will be entertained by a show of Flamenco dance. The show presents in a dynamic way expressing several of the most important styles and beats of flamenco allowing the spectator to become familiar with the wealth and variety of this art. With the same objective, the show also alternates its different expressions: the music, the singing and the dancing. As an authentic tablao show has no formal choreography, each artist interprets individually his or her number and the rest follow the beat, marking the rhythm, accompanying it and strengthening it. The improvisation constitutes a key element of flamenco and is directly related to the communication between the artists themselves, and between them and the audience.

At midnight Salve Rociera an emotive prayer to the Virgin of Dew.
