Great Wines of Penedès

This VIP experience is a full day tour in which you will enjoy two great wineries in the Penedès wine area, each totally different from the other, where production is limited to a more valuable high quality raw material.

During the morning portion of the tour you will learn the wine elaboration process of a winery that bases its philosophy on good grapes, wisdom, charm and of things well done. A winning combination of experience and intuition that has produced several award winning wines.

Following the morning tour you will enjoy a gourmet lunch in a restaurant which is a wine lover's dream come true.

In the afternoon you will visit a small winery that produces wines under the philosophy of pago and parameters of quality that makes them one of the most referred cellars of the area. During the journey you'll be able to observe the beautiful landscape and cultural aspects of this region.
