Traditional Cooking Classes

Join this Food & Wine Tour cooking class and discover the secrets of Spanish local traditional cuisine. Learn how to cook the typical dishes of the region and taste the menu prepared in a friendly atmosphere. Enjoy experimenting with the ingredients and savour the dishes you have prepared.

This cooking experience starts with a visit to the Chamartin Market, with Madrid's best selection of gourmet products. At the market, merchants compete for shoppers' attention, often very vocal. You will be surrounded by pyramids built with red tomatoes, green lettuce, purple eggplants, red apples, yellow bananas and any other produce you could imagine. You will find a wide variety of stalls, each specializing in fruit, vegetables, nuts and seed, cheese, meat or fish. In the market you will enjoy an aperitif. After you finish shopping at the market the tour will continue on to the cooking school where the group will partake in a 2 hour cooking class, followed by lunch. Menu will vary according to your request and will include a selection of tapas dishes, an aperitif, fist course, main dish and dessert according to season.

Note:

- Groups from 8 to 20 participants required
- The activity does not include an apron or venue rental.
